

Acuutech

Dear Sir/madam

I would like to take this opportunity to thank you for your support at the official launch of the Asian Lifestyle Magazine at the Grange St Paul's Hotel last Thursday 9th of February 2012. I hope you all agree with me that it was a massive success and a great opportunity to meet new people and make friends.

I'm not sure if you were aware but Acuutech was one of the official sponsors for the event and we hope you received our information postcard in your goodie bag. We would like to make you aware that we are a specialist IT solutions provider and take great pride in ourselves that during the current downturn in economy we are still growing and becoming better positioned to serve our clients. Our clients range from small businesses to larger medium sized businesses and our success is based around the fact that we have a very strong loyal customer base. The reason for this is that we are a company that really cares and takes pride in our provision of managed services. If you are fed up of being let down by your IT systems let us take care of your problems and allow you to focus on the things that really matter – Your business.

We are happy to hear from any prospective clients and can give free solutions advice that will save you money, time and most of all allow your business to grow faster.
